Greetings Choral Families and Friends,

Welcome to the 2011-2012 Hersey Choral school year! We are looking forward to a fun and exciting year.

You won't want to miss our **13th Annual Fall Gala on Sunday, November 6th**. The fashion modeling and vocal entertainment at the Fall Gala is provided by our JHHS Choral Students. Bring your family, friends and neighbors to experience an afternoon of unrivaled entertainment, while enjoying a delightful meal.

During the Fall Gala, there will be a silent auction of goods and services from local businesses. We will also be raffling off some great prizes.

Reservations are required. A packet of information will be mailed out to choir families at the beginning of September.

Choral students can be involved in the Gala in a number of different ways. Students can choose to: perform a vocal selection consistent with our music theme this year, model fashions from local retailers, and/or volunteer to work behind the scenes in a variety of jobs. **This is also a great opportunity for choral parents to become involved and meet other choral families.**

The Fall Gala is organized and run by parent and student volunteers. All details will be provided at the start of the school year.

ANY QUESTIONS OR INTERESTED IN VOLUNTEERING.....

Just contact your Fall Gala Tri-chairs for this year:
